

To be sustainable... or exist as a viable, responsible corporation...
Hoshizaki America must focus now and to the future in three key areas:

Social Sustainability - Corporate responsibility is evident throughout our organization. From employee community and outreach programs, charitable fundraising to our global nature preserves....Hoshizaki is partnering with you for a better planet!

Environmental Sustainability - We are committed to develop original, energy efficient products preferred by our customers while complying with laws and operating our facilities in a safe manner as exemplified by our BS OHSAS 18001 certification. Our multiple Energy Star Partner of the Year Awards further acknowledges our accomplishments.

Economic Sustainability - Hoshizaki practices conservation through reduced energy consumption in our facilities, effective waste management and recycling programs, plus a well-managed supply chain. This is recognized with our ISO-14001 certification. We seek cost management to maintain our profitability by designing and producing the highest quality and best value products on the market. Our ISO-9001 certification demonstrates our commitment.
