- Additional divider bars may be required to accommodate above pan layouts. Individual divider bars HS-4007 sold as Accessories.

➡ Divider bars on the back...

Center divider bars have notches to accept interlocking side divider bars.

- Provides stability for pan placement by preventing side bars from sliding out of position which could allow pans to fall into cabinet below.
- Increased flexibility for user because center notches allow user to easily re-configure bars to accept desired pan sizes for their unique menu.
- Made of high quality stainless steel insuring long life.
